

## PART I - District Data

David City Public School is a Class III school system accredited by the State of Nebraska and AdvancED (formerly the North Central Association). Accreditation requirements are found in the Regulations and Procedures for the Accreditation of Schools (Rule 10). To review the accreditation requirements, see [www.nde.state.ne.us/LEGAL/RULE10.html](http://www.nde.state.ne.us/LEGAL/RULE10.html). The High School is classified as C-1 by the Nebraska School Activities Association. A wide range of information is provided on the school's web site at <http://www.davidcitypublicschools.org>

Elementary students attend school in David City at David City Elementary or in Bellwood at the Bellwood Attendance Center. Students in grades seven through twelve attend David City High School. In addition, preschool is offered in David City and Bellwood. Two bus routes serve Bellwood and four in 4 routes serve David City.

David City Schools is associated with Educational Service Unit #7 located in Columbus. We are members of the Southern Nebraska Conference for high school activities.
