Continue to Recruit Drivers

By Nancy Romshek

As you are well aware of we are in need of substitute drivers. If you know of anyone who has an interest in driving, please contact me. It would be great if we could get one or two more substitute drivers in rotation for next year. I can certainly call an individual and start the licensing process.

Driver Appreciation

By Jerry Phillips

As we near the end of the school year, I would like to take the opportunity to express a thank you to our bus drivers. Our district is fortunate to have individuals that are safety conscious and we can count on to provide transportation services for routes and many activities during the year. You are appreciated! Thank you for a safe and successful 2009-2010 school year.

End of Year Procedures-Please Note Changes

School will be dismissed at 1:30 on Friday, May 21st. Bus drivers plan accordingly. That will be your last route for this school year.

All buses need to be returned to the bus lot after your final route on Friday. Everyone is asked to meet for one last meeting (approx 3:15 pm) when routes are finished for the day. **Please make sure your diesel is less than half**

On this day you will also need to turn in

- 1) Final Mileage,
- 2) Cell Phones,
- 3) List of items to be looked at on your buses (body work/mechanical),
- 4) May Operating Cost Sheet,
- 5) Final Weekly Inspection Sheet.
- 6) Bring in your fire extinguisher.

Also a key inventory will be done.

If you have any questions about the end of the year or returning you bus please contact Mr. Phillips.
